G.R.S. III—31.

Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

It is seen that all licenses granted, were being countersigned by the Asst. to Govt in charge In the old rules issued under the explosives Act. Ref^ce to distinction was made in the case of explosives required for blasting purposes

4) In 1918 however when the rules were revised the Dy Magistrates were empowered to grant licenses for the transport of explosives for blasting purposes (Rule 16 - page 10, and articles 7 & 8 - page 39) of rules & the quantity for which the said licenses are to be granted is only 100 lbs of gun-powder (col-4 of articles 7 & 8 in p. 39), 10 pounds of other explosives & 100 detonators (col 4 of Form E - page 60)

In the cases now referred to

Paras 1 & 2 of 8-2
31-15 (1 & 3 of 8)

Abdul Gafoor
7-17 SS 8-10 C
" 12-13 B

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form

1) Mr. A. Tanjavelu Mudaliar
2) Messrs: C-B. Oakley & Co

3905
4047

5

G.R.S. III—31

Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

the quantity to be possessed is more than that specified & in such cases the Magistrates are not themselves competent to grant licenses they can only forward for the Chief Inspr to submit the licenses for the countersignature of the Secy to Govt in the Dept of the Expl Rep/20

15) In these cases the Ch. Inspr suggests that such licenses may be countersigned by the Secy to Govt under rules 55 & 56 of the Explosives Rules as there are no clear provisions to be found

16) For order see Rule Paras 576

20 7/3/26

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form

G.R.S. III—3]

Routine Notes.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

B) I am not sure if as the Chief Inspt of Mines Madras the rules provide for Cancelling / reducing of the Class of first ~~to~~ in the Case under Consideration Schedule I Articles 9, 12 & 13 specify the cases in which licences have to be sanctioned & first

If the D. A Commnr grants a licence under article 7 & 8 free of charge, the application will have to be accompanied with a Stamp of Rs 15-0-0 as the case may be Vide article 12 & 13.

Article 2 provides for cases of Mineral Inspt- ~~from~~ and ~~by~~ to Geological Survey the third from which the expense is to be incurred is compulsory

N.B.—Should routine notes be written on small slips, the notes must be copied, or slips pasted on this form.

from the licence required free of charge.

Does not the Statute distinctly state is to me applying the D. Mysore

G R. S. III—3]

ROUTINE NOTES.

[To be used only for notes, requisitions, etc., not intended for permanent record.]

Concerned if there be more than one for issue of licences under this article as to when required

27) As there have been similar queries of licences for hair pins. perhaps I can granted by a D.A. being consulted by the Dep. Supt. Dept. to assist in the matter

18th Monday

k
4.3.18

167/43

WB 4/3

28) There appears to be a misconception regarding the scope of a licence in form E1

29) A licence in form E is issued for the possession & purchase of the explosives required for blasting purposes and is valid during the period of the material is to be possessed satisfactory evidence has to be prescribed with the licence

N. B.—Should routine notes be written on small slips the notes must be copied, or slips pasted on this form.

ROUTINE NOTES.

G. D. SECTION.

B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department,
BANGALORE.

Sir,

With reference to your letter No. I.C. 5229/Geol.77-25-9 dated 28th January 1926, requesting to be informed of the provision of the Explosives Rules under which the license No. E.4 of 1926 granted by the District Magistrate, Bangalore District, in favour of Mr. A. Thangavelu Mudaliar, should be countersigned, I have the honour to inform you that this license is one that is generally granted by a District Magistrate to contractors, cultivators and other persons only when the explosives are proved to the satisfaction of the licensing officer to be required bona fide for blasting purposes and to be possessed only in small quantities at a time - vide Articles 7 and 8 of Schedule I, Mysore Explosives Rules.

Since Mr. Thangavelu Mudaliar is the lessee of various mining blocks scattered over several Districts in the State, he would have to obtain, as an alternative, separate transport licenses from the several District Magistrates to carry explosives from Bangalore to other Districts vide Rules 16 - 19, Mysore Explosives Rules for the general transport of explosives for blasting purposes. To save both time and unnecessary correspondence, it was recommended by the District Magistrate, Bangalore District, that the license be countersigned by the Secretary to Government, Local and Legislative Departments, so that it may apply to all the Districts concerned. This procedure having been approved of, the license in question

was

was forwarded to you for countersignature. In the absence of a specific rule governing such cases, I would suggest that the license may be countersigned under Rules 55 and 56, Mysore Explosives Rules.

A similar license was granted by Government to Mr. C.B. Oakley, Managing Director Messrs Oakley, Duncan and Co: Ltd., Bangalore, last year (1925) - vide your letter No. I.C.6695/Geol. 124-24-2 dated 4th April 1925.

I have the honour to be.

OFFICE OF THE CHIEF INSPECTOR OF MINES IN MYSORE.

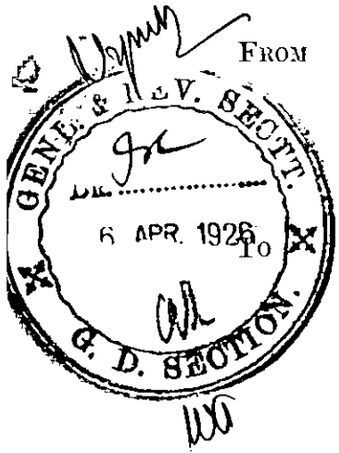
No. 1545
Encl. 3 licenses.

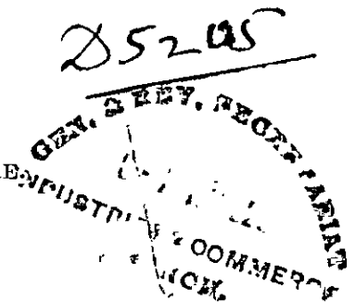
Dated Oorgaum, 5th April 1926.
(S. India.



FROM

R. BOCQUET, ESQUIRE, J. P.,

CHIEF INSPECTOR OF MINES IN MYSORE.



TO

B. Srinivasa Iyengar, Esq., B.A., B.L.,
Secretary to the Government of
His Highness the Maharaja of Mysore,
Revenue Department, BANGALORE.

Sir,

With reference to your letter No. I.C.6797/Geol.77-25-12 dated 1st April 1926 returning, for the reasons stated therein, the three explosives licenses for the possession, transport and use of small quantities of explosives required bona fide for blasting purposes in connection with the mining and well-boring operations carried on by (1) Messrs. A. Thangavelu Mudaliar, (2) C.B. Oakley and (3) M. Raman Nair respectively, in the State, I have the honour to bring the following facts to the notice of Government:

(a) License form E was used in the absence of a suitable form to take up these cases, because it is the nearest approach under the Mysore Explosives Rules to meet the special circumstances and requirements of the cases in question.

(b) A license in Form F or J means that the licensee should build a small or large magazine, as required by the conditions of these licenses, which the applicants are not prepared to do in view of the fact that they never. at any one time or place, require for their use more than 10 lbs. of high explosives - the maximum quantity permitted under license Form E.

2. Besides, their places of work, generally, are far removed from dwelling houses and are, more or less, temporary in character and therefore do not need a magazine for storing the explosives

required.

12

required.

(c) The proviso to Condition 2 of license form E permits the possession in a dwelling house in a receptacle, exclusively appropriated for the purpose, 30 lbs. of gunpowder, 10 lbs. of any other explosives and 100 detonators. The quantities recommended in each of the three cases under consideration do not exceed these amounts. As such, I fail to see why they should not be granted the licenses recommended.

(d) Again, the procedure suggested by Government - obtaining E licenses and Transport licenses from each District Magistrate involves a great deal of time and correspondence which could be saved if Government would grant the licenses recommended.

3 Rules 16 - 19, Mysore Explosives Rules, Chapter IV - Transport apply to licenses granted in Form F or J and not Form E (vide license form 1, Schedule II and proviso (i) to Rule 15, Mysore Explosives Rules the latter rule providing the exemption necessary under the Rules)

4 In this connection, I am again to invite your kind reference to letter No. P.4033/Pol.75-24-4 dated 29th January 1925 from the Secretary to Government, Local and Legislative Departments, to the Director of Agriculture in Mysore and your letter No. I.C.6695/Geol. 124-24-2 dated 4th April 1925 to the Offg. Chief Inspector of Mines in Mysore, granting similar licenses to Messrs. Raman Nair and C.B. Oakley for 1925.

5 The applicants are already experiencing great difficulty on account of the delay in the grant of these licenses. Accordingly, I request Government may be pleased to renew or grant the licenses now recommended, as a special case, following the procedure adopted in previous years.

I have the honour to be,
Sir,
Your most obedient servant,

N. Bocquet.

Sir,

Adverting to correspondence ending with this office letter No. 1545 dated 5th April 1926, I have the honour to request you to be so good as to expedite the return of Explosives Licenses Nos. E.4, E.12 and E.15 of 1926, duly countersigned, as the licensees are put to much inconvenience for want of explosives and are pressing for the licenses to be sent to them.

I have the honour to be
Sir,
Your most obedient servant,

R. Bocquet.
CHIEF INSPECTOR OF MINES
IN MYSORE.

R. S.

To The Chief Inspector of Mines

Sir

In returning herewith the two originally noted three explosives licenses received with your letter No. 1205 E 5.4.26 I am directed to state that Govt. do not see any grounds to reconsider their order & that the applicants will have to conform to the rules as already stated in this office letter No. L.C. 6777/Genl. 77-25-12 & 1.6.26
